The card is a legal document when signed and dated on the back. You can ask a witness to also sign and date to vouch for your authentic signature.

**Supplemental Advance Directive Instructions – for Social/Spiritual Support:**

These cards are offered for you to consider as a way to make your wishes known regarding visits of a non-medical nature by Rev. Dr. Ralph W. Wilson. Dr. Wilson is ordained and offers his presence during your times of challenge or major life changes. For people of all faiths and none.

You are encouraged to print and cut out the cards and give them to your family and anyone who may someday want to know your wishes about your support during a time of health crisis or hospice care, etc. Please remember to sign and date at least one card as a health-related document. If possible have a witness also sign on the back. You can also write additional information on the back.
