INQUIRER ABOUT MARS BASE B MISSION

YOUR NAME HERE • COMPANY • ADDRESS • CITY, ST ZIP

August 15, 2017

Dear Inquirer about Mars Base B mission,

Welcome: We've come a long way in this world from simple beginnings to having sent probes beyond our Solar system. This two-year mission of learnings about "The Red Planet" is intended to add to your understanding of what it is to be human.

Know Yourself: I've adopted the "avatar" of Doc from Snow White and The Seven Dwarfs. That is a [dated and perhaps quaint] example of several "archetypes" of human nature. Search www.barnesandnoble.com to find children's and adult literature about personalities. This fits with my [archived] earlier site, www.NaturalWorldHealing.com, with resources about how people can be grouped into categories that may be predictive of how an archetype might be revealed in any single individual.

Mission Parameters: In response to Election 2016 we now have a chance to explore a no-politics environment for personal exploration. In the next months I'll be giving assignments. We may meet online if you join for free www.SecondLife.com. You can sign up and browse thousands of books and media at BarnesandNoble.com.

See you online,
"Doc Wilson", N.D., MS, PhD (cand.)
